FCS REFUND POLICY

Registration Fee and Book Fees are non-refundable. If you withdrawal your child(ren)during the school year, you may keep all of the books and materials you purchased.

A partial tuition refund may be available when you pay annually or semi-annually. There will be no refund for any month where the student attended FCS.

If you are on the monthly payment plan, no refund will be given in the event of withdrawal unless you have paid in advance. For example, if you paid January and February payments with your December payment and your child does not return after Christmas break, January and February would be refundable because your child did not attend school during those months.

There will be no refunds given for students who withdrawal after they have attended classes in the current month. For example, if your child has attended classes until the 10th of the month and then withdrawals, there will be no pro-rating or refund issued for that month.

By signing below, you certify that you have read, understand, and agree to this refund policy.
